

PRESIDENT'S CORNER

by **Randy Vaccaro '73**

It's been a strange summer here with all the hot days and lack of rain. As we begin to prep the fall edition of the *Newsletter*, September has brought us cooler temperatures, some much needed rain and the start of a new fiscal year for the Kenosha Bradford Alumni Association, Inc. For those members who fondly remember the cross-town rivalry: Bradford's Football Team bested Tremper. Final score: 49-35.

One of our primary goals this year is to offer the Newsletter to our members electronically via our website, www.kenoshabradfordalumni.com. This project is important from the standpoint of "being green," as well as reducing our printing/postage costs. We want to assure our many members who do not have Internet access that we will continue to mail printed newsletters to those who prefer to receive a hard copy.

The Alumni Association has as its main purposes: to annually honor a number of Distinguished Alumni, selected from a group nominated by Bradford graduates; to administer and award scholarships to deserving seniors; and to help classes with reunions.

As a member, there are many ways you can help the Alumni Association grow: contributions, Spy donations and encouraging your fellow Bradford graduates to become members of the Association.

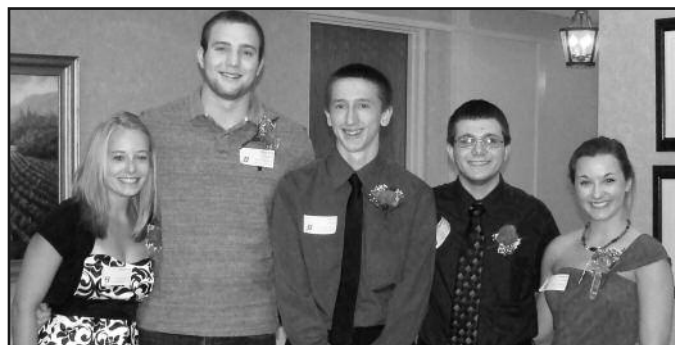

Good health and happiness to all ...go Red Devils!

1930s

'35 John & Mary LaPotka

Mary and I are still living in Madison, WI where we've lived for the past 50 years. Mary is 92 and I'm going to be 96 in June. We have made a lot of changes so we can still live here. We don't get around much anymore because it is very comfortable in our home. I miss very much not being able to attend our Annual Class Reunions of the class of 1935.

1940s

'47 Doris (Badtke) Krogh

Having moved to Wisconsin Dells, I don't get to Kenosha much anymore since I lost my husband, Harry V. Krogh. I'm looking forward to hearing what others are doing.

'47 Wynefred (Dolan) Johnsen

Thanks to the Bradford Alumni Association. My cousin, Joyce Dolan Jensen (Class of '48) and I were reunited again. We are enjoying family connections again.

'62 Joanne Ventura Czeswik

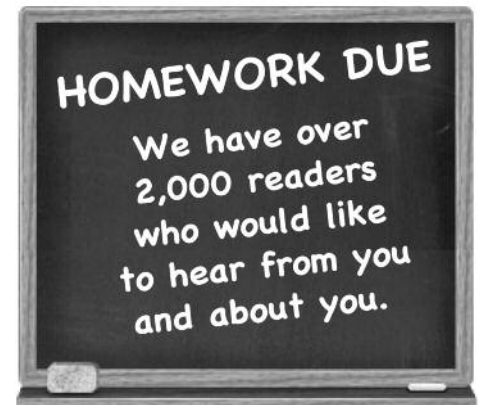

I retired in 2001 from a 33-year career in the Saint Paul Public Schools. I taught three years, coordinated federally funded preschools for six years and was a School Principal for 24 years. I graduated from UW-LaCrosse and did my graduate work at the U of M. I am married to F. R. (Randy) Czeswik.

'62 Wayne & '63 Ruthann (Yankus) Higgins

Ruthann and I have been married 46 years and have two girls and eight grandchildren. The 1939 Chevy we bought the year we were married is still part of the family. I began my career in traffic engineering in 1965. I established a consulting firm in Elm Grove, WI in 1985, Traffic Engineering Services, Inc. and will be working at what I enjoy for many more years. Education: BS Civil Northwestern University Traffic Institute.

'62 Heide (Howard) Thomas

Hi Everyone, I'm still alive and kicking. What a blessing. I'm so healthy my doctors are amazed. Still in pretty good shape, exercise a lot and have a very happy heart. In 1999 my husband retired from Ladish Tri Clover and then we moved to Clearwater, Florida. My husband passed away in 2009. We were married for 47 years and have three children. I wanted ten but God knew better. I have two sons and a daughter and two grandsons, ages 15 & 17. My oldest son live in Jacksonville, FL but the rest are here in Wisconsin. I moved back here last January 2011.

1937 Class Reunion

*Class of 1937 Reunion Committee (back row, center):
Helen Mischler Larsen and Mary Bellaver Pietrangel.*

Our 75th reunion on Saturday, July 7th at The Fireside Restaurant went very well. We had 19 attending. Several were chauffeured by their children, who stayed and enjoyed our reunion. Some had never attended their own class reunions so this was a first for them. Classmates came from Madison and Racine. The rest were all from Kenosha. Several came with canes or walkers, but so it goes as one ages. Notes, cards, and letters received were read from classmates unable to attend. It was great visiting with friends after so many years. Who knows? We may have yet another reunion!

1952 Class Reunion

Class of 1952 Reunion Committee: Pat Helton-Neuhaus, Earlene Jornt-Girman, Chuck Lombardi, JanLoew-Thomas, Phyllis Ballard-Brandt.

The Class of 1952 held their 60th Reunion on Saturday, August 11, 2012, at the Italian American Club. A Friday Ice Breaker was also held at the Italian American Club.

1947 Class Reunion

The class of 1947 held their 65th high school reunion at the Parkway Chateau on Wednesday, September 12 from 11:00 a.m. to 4:00 p.m. 79 classmates attended. Annabelle Alberta, Secretary/Treasurer, represented the January class and Jerry Smith, President, represented the June class. Messages from classmates were posted on an easel for classmates to read.

A microphone was passed around to classmates and all participated by stating their name and giving personal remarks. It was very heartwarming.

After social hour, the program began with a welcome, introductions of the reunion committee members, remarks from the January and June representatives and from class members. Dinner followed after an invocation by Father Paul Lippert.

Lowell Reed, a retired federal judge, wishes to donate a \$2,500 scholarship and wrote a letter asking if classmates could make donations and match that. Several persons have already paid. Anyone who would like to donate should make checks payable to KBHSAA and designate it "Class of 1947 Scholarship" and send to Mary Jane (Pellegrino) Lippert, 4028 - 81st Street, Kenosha, WI 53142. Contact Mary Jane at 262-942-4131 for any questions.

A special moment at the reunion was the playing of our Alma Mater and the School Fight Song, which the Bradford Music Department recorded for us five years ago. We are so grateful to them five years later for their generosity and kindness to us. We, the 65th reunion committee, appreciate all who helped make our reunion a memorable one.

1957 Class Reunion

Members of the Class of 1957 tour the "old" Bradford High School.

The Class of 1957 55th Reunion began Friday, September 14th, 2012, at Baker Street with a women's brunch. Smiles on the faces of the beautiful women attending brought memories to mind, and the women had to be reminded to eat! Next there was a tour of the "old" Bradford. One of the most comical parts of the tour was watching grown men walking out of the girls' bathroom. Actually, we were all viewing the beautiful granite and tile flooring in "our" building. Later, pizza at the Casa Capri was enjoyed by a happy and gregarious crowd reminiscing and laughing until our sides ached.

Saturday began with early golfing at Bristol Oaks Country Club. There was an unconfirmed rumor of a hole-in-one! Our celebration ended with dinner at the Kenosha Country Club where more stories, good jokes, and laughter filled the air. Attendees had such a good time that many voted to meet again in a mere three years.

Row 1: Lee Doerring Arneson, Bobbie Ellsworth Monson, Carol Thomsen Andrea, and Carol Lansing Pfister. Row 2: Tom Maegaard, Jerry Bain, Al Smestad, Mary Kay Ferkin Stanczak, and Don Fox.

1972 Class Reunion

The Bradford Class of 1972 held their 40th reunion on Saturday, August 4, 2012. The venue was Ashling's Irish Pub with entertainment by "The Chevelles."

In addition to members of the Class of 1972, several former Washington Jr. High School alums, who left to go to other schools after junior high, came to the reunion to connect with their former classmates. Many great junior high as well as high school stories were told.

A GREAT time was had by all who attended, coming from as far as New Jersey and Texas! Rick Gayan and Gary Kastelic were the last men standing.

TOP: Pat Perroni Miller puts an old band hat on Jeff "JC" Grimes. MIDDLE: Carol Dosemagan Homan '73 with her class of '72 husband Jeff Homan, Mark Sturycz and wife. BOTTOM: Rick Gayan, Joan Mattson and Gary Kastelic.

1982 Class Reunion

The Class of 1982 had a nice turn out of about 100 people at our 30th Reunion. It was a beautiful day. We had about 15 people attend that have never attended any reunion. They were glad they came and said they would come to the next one. We are planning to have a 50th birthday party for ourselves in two years.

Everyone enjoyed the casual setting at Flint's Inn. We kept the Reunion simple and casual. We think this works best for our class. Alisa Ruffolo Taleronik and Scott Aicher made all the arrangements. This was Scott's first time on the committee and he did an awesome job!

We ate, we laughed, we talked, we danced, and most of all, we gathered again as a class and reconnected with people we lost contact with. Facebook is a blessing for our class.

THANK YOU NOTE FROM A PAST SCHOLARSHIP RECIPIENT

Hello! This is Abigail Bullmore, one of last year's recipients of the Bradford Alumni Association Scholarship. I'd like to express how grateful and honored I feel to have received the

scholarship. My education at Wheaton College has already been such a rich experience, and this scholarship helped make it possible.

My first year went very well, and the transition was a lot smoother than I thought it would be! I've really enjoyed my classes and professors. I declared a major in Spanish, which I am very excited about, and I am considering a double major with Elementary Education. I love the Spanish language and culture, and am eager to see how that intertwines with a future career.

I was blessed to be a part of the Wheaton cross-country, and track and field teams this past year. The coaches and fellow runners were such a source of encouragement. This was particularly evident in our weekly girls Bible Study, and in the encouragement I received when I found out I was very low in iron. I'm already looking forward to the coming seasons.

It was also a privilege to be a part of Wheaton's Symphony Orchestra, playing violin. A highlight was definitely our Spring break tour to Texas. It was a perfect opportunity to really grow together as an ensemble, and to really delve into some great music, including Beethoven's 5th Symphony.

It's hard to believe I'm already one-quarter of the way through my time at Wheaton. I'm very grateful for the experiences I've had there and encouraging community I've found there. I feel that my experiences at Bradford prepared me very well and helped to make the transition to college smooth.

Thank you once again for your part in making this possible!

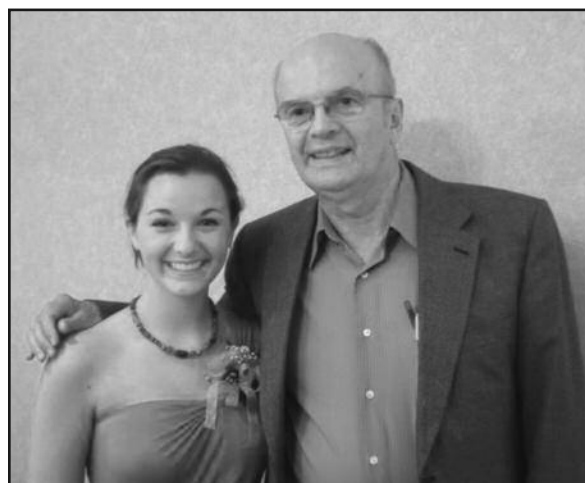

Gratefully,
Abigail Bullmore
