## President's Corner

by Randy Vaccaro '73

It's been a rough stretch for everyone as our country continues to deal with the COVID-19 pandemic. Our condolences go out to our members who may have lost a loved one or dear friend to COVID. Stay well and stay safe!

We're starting a new year with a busy schedule, as usual. Thanks to Adela Hessefort '74 and Lynn Kortright '69 as we work on reorganizing KBHSAA Archives at the ESC. It's a project we've set aside to focus on the DAA Plaque Restoration Project. Many thanks to Adela Hessefort, Dick Gentz '65, Lee Arneson '57, Jan Vaccaro '74 and Don Sebetich '73 for their time and efforts over the summer working on this important project. Thanks to Bobbi Monson '57 for her "detective work" in helping to find surviving family members of some of our DAA honorees. As the project nears completion, we've begun work on a new web page, *Close-Up: DAA Honorees*, which will replace our current [DAA Honorees web page](#). We'll email those members who have an active profile on the KBHSAA website once the new web page launches. If you haven't already done so, please take some time today to visit our website, [www.kenoshabradfordalumni.com](http://www.kenoshabradfordalumni.com), and activate your profile!

We will be posting the KBHSAA Scholarship Offerings for 2022 on our website and our Facebook page in early October. If your child or grandchild is a Bradford senior this year, we hope you'll urge them to apply!

Do you have a family member or classmate you'd like to nominate for the 2022 Distinguished Alumni Award? The [nomination form](#) is available on our website and in this edition of the Newsletter (see page 6).

Providing educational opportunities through private gifts has become a tradition for KBHSAA. If you (or someone you know) may be interested in establishing a specific scholarship, we encourage you to visit our [Fund a KBHSAA Scholarship](#) web page or contact Joyce Sorensen, KBHSAA Scholarships Chairperson, for more information. The generous support of our membership enables KBHSAA to continue the traditions begun by the Class of 1891 when they formed the Alumni Association at what was then Kenosha Central High School. Be a proud part of that tradition and encourage a classmate who is not yet a member to join KBHSAA by passing along the membership form on page 7.

Wishing you continued good health and happiness.

## Mary D. Bradford Stadium Benches

Lee Arneson '57 tells us she has several interested parties who'd like to share in the shipping costs when they purchase a bench for the Mary D. Bradford Stadium. # DAA PLAQUE RESTORATION PROJECT

This summer has flown by quickly, aided by the time spent working on the DAA Plaque Restoration Project. On July 16, our small team of volunteers worked with Bradford High School custodians to pack the DAA plaques in protective foam pouches donated by Uline.

Over the years, the afternoon sun streaming through the windows at Bradford's Auditorium entrance had faded – we thought – about a dozen of the DAA honoree photos. As we began to clean the DAA plaques, we found many more photos that were discolored with what our photo retouching expert called “giraffe spots,” crackled, delaminating and some, quite literally, were falling apart. We talked to family members throughout the country as we tried to locate replacement photos. We highlight a few efforts below.

- In late June, we visited Jack Andrea, the iconic family-owned shop on 60th Street that would soon close its doors after more than 100 years in business. We chatted with David Andrea, who put us in touch with his cousin, Mary, daughter of Matthew Andrea '36, who promised to send us a replacement photo...success!
- The late Louis K. Brandt '32 served as an Economics Professor at the University of Mississippi, fondly known as “Ole Miss,” from 1945-1968. A Google search

indicated his son was an Ole Miss alum and an active supporter of the UM Foundation. We never did find a working phone number for him, so we contacted Anna Langely at UM Foundation, asking if she might pass an email to Mr. Brandt. In less than a week, we had an email from Mr. Brandt's assistant, Debbie, with a photo attached.

- We reached out to the Kenosha History Center for a photo of Mary D. Bradford. We met with Jon Martens in mid-August to see the photos KHC has in its archives. We selected two very nice photos of Mrs. Bradford for scanning.

- At the suggestion of Joyce Sorensen, we contacted Mary Jane Hugaard-Lippert '47 for assistance in locating a photo of her sister-in-law, Jeanne Lippert '40 (aka Sister M. Collette). “MJ” was instrumental in putting us in touch with Father Paul Lippert '47. We visited him in Menomonee Falls and, after photographing his sister's photo mounted in a beautifully matted arrangement of family photos, we spent a lovely couple of hours reminiscing about his early years in Kenosha. Fr. Paul tells us his sister worked in the Obstetrics Department at the “old” St. Catherine's Hospital and is the

reason so many young mothers who gave birth there named their daughters Collette.

Each DAA honoree's “bio” is mounted using tacks to hold them in place under Plexiglass; we found more than 40 of them had text that was obscured by the tacks... not a good thing when you're planning to photograph the plaques in order to share them on your website. We rekeyed them, had them printed and have remounted them on the plaques. Our photographer has shot close-up photos of 40 of the restored plaques thus far. We are now working to replace 10 of the plaques found to be badly cracked, and we hope to finish up the photography portion of the project before Thanksgiving.

We'll be organizing the DAA plaques in “hanging order” before we return them to Bradford High School to once again be proudly displayed. We've read the bio on each DAA plaque as we worked through this project...we only hope the Bradford students will find the life stories of our DAA honorees as inspiring as we did.

## Did you know?

In 1891, the first graduating class of what was then Kenosha Central High School (first free high school west of the Alleghenies), founded the Alumni Association with the help of Mary D. Bradford, the teacher for whom the high school was eventually named.

## Alumni Association Purpose

1. To promote Bradford High School and its activities;
2. To give and facilitate scholarships to deserving Bradford seniors;
3. To recognize and honor distinguished Bradford alumni on their achievements;
4. To provide guidance to class reunion committees and financial assistance for all reunions (limited to once every 5 years, we will cover one-half of: 1) the postage for first mailing; or 2) creation or renewal of class year's domain name, to a maximum of \$100). (For ease of use/extensive features, we recommend <http://www.classcreator.com/index.cfm?M=M1159803>.)
5. To produce a bi-annual newsletter, available *online* to paid alumnus.

## An invitation to join

Membership is open to all who attended or graduated from Mary D. Bradford High School. Membership dues and the generous donations of alumni enable the Alumni Association to provide scholarships and carry on the traditions started by that first graduating class. The Kenosha Bradford Alumni Association, Inc. is an IRS-recognized 501(c)(3) organization. Please note that membership in this organization is non-transferable. *We hope you will consider becoming a member.*
