

## **KBHSAA to honor 2021 Distinguished Alumni**

### ***JOHN S. GREGORY, CLASS OF 1952***

John grew up in the Columbus Park neighborhood, driving and maintaining his father's trucks from the age of 14. Attending classes at Bradford High and Gateway Technical College helped John achieve success in business, engineering and racing. As founder of Sunset Motors and later Mid City U Store, John was active in the Chamber of Commerce, the governor's Highway Safety Committee, The 52nd Street Business Association, the American Motorcycle Association, the NHRA, and Dragbike USA. He was inducted into the Kenosha Legends Hotrod Association and is Legend No. 1 at Great Lakes Dragaway.

John has supported our elected officials in many policy issues that impact the lives of Kenosha residents. As a business leader, he continues to be both business and personal friends with many prominent local, state and U.S. leaders.

*HogSlayer*, an award-winning true-life story of the dual-engine Norton motorcycle dragster designed, built and raced by John Gregory of Sunset Motors and TC Christenson, was distributed internationally and achieved 5 stars on Amazon Prime. As an engineer, designer and motorcycle industry consultant, John's achievements are recognized worldwide, his motorcycles are in museums in the U.S. and Europe and, at age 87, he still loves riding motorcycles.

John and Carol (Thomas) Gregory raised 7 children before divorcing. John and Jody (O'Connor), his wife of 40 years, enjoy family occasions with 20 grandchildren, 36 great-grandchildren and 6 great-great-grandchildren.

### ***MICHAEL H. DEAN, CLASS OF 1960***

Michael Dean was the youngest of twins born to Milton C. Dean, Sr., and Shirley (Jacobs) Dean in Kenosha. After graduating from Bradford, he attended UW Extension for two years and spent summers honing his math and people skills while working at his dad's fruit market. He went on to get a bachelor's degree in education and his master's from UW-Whitewater. Mike made Janesville, WI his home, teaching 6th grade at Madison and Monroe Elementary and Franklin Middle School. He married Anna Moss, and they had two children, Steve and Katie.

During his 38-year teaching career, Mike was known for creative and immersive units and was deeply involved in student lives. A former student commented Mike's teaching style was "part Socratic method, part Evangelist, and part Broadway actor." Mike was twice honored as Teacher of the Year in Janesville, where he was instrumental in starting College for Kids. He was also a recipient of the Herbert Kohl Fellowship.

During retirement, Mike volunteered at Kenosha Public Museums and served on its Board. He enjoyed reconnecting with classmates, did yoga twice a week, played men's senior baseball and listened to live music by the lakefront with his fiancée, Wendy. Visits from his children included philosophical discussions with Steve, lakefront walks and making crafts with Katie. He will always be remembered for his beautiful smile, his pride in being a "lefty" and as a lifetime die-hard Cubs fan.

## President's Corner

by Randy Vaccaro '73

Spring is here, and everyone thinks seeing a Robin is the sure sign... my neighbor says it's when you see (or hear) the first motorcycle on the streets. Whichever you believe, it's here and now we can start getting out and enjoying the weather!

We are finalizing plans for our annual DAA Banquet & Silent Auction on Saturday, June 26, 2021. The event will take on a slightly different feel, as we ask all attendees to wear masks. The Silent Auction, which benefits the KBHSAA Scholarship Fund, will be smaller than in years past, with the majority of the items donated by KBHSAA Board members. Local small businesses have been struggling due to the impact of COVID-19, and we simply could not bring ourselves to solicit donations from them. We plan to launch our Sneak Peek: Silent Auction web page by early- to mid-April. You'll find the DAA Banquet Reservation Form on page 6 of this Newsletter, or you may download it from our website, [www.kenoshabradfordalumni.com](http://www.kenoshabradfordalumni.com).

The Scholarship Committee is awaiting the arrival of scholarship applications from this year's "crop" of Bradford seniors. I thank them in advance for their work on the project of identifying deserving recipients for 2021 Scholarships. I'd also like to thank the members of DAA Selection Committee, the DAA Banquet Committee and the Silent Auction Committee for their work on this year's DAA Banquet & Silent Auction.

As always, we encourage all who attended or graduated from Kenosha/Bradford High School to join KBHSAA. The generous support of KBHSAA members enables us to continue the traditions begun by the Class of 1891 when they founded the Alumni Association. Be part of that proud tradition by passing along the Membership form on page 7 to a classmate who is not yet a KBHSAA member.

We've had a long, hard year of not being able to go places or gather with extended family/friends. We've masked up to shop in our local stores or to pick up curbside orders from those stores. We've masked up and practiced social distancing to attend church, sporting events, weddings and even funerals. Many of us may have a family member or friend who survived COVID-19. I sincerely hope we are seeing the first signs that the spread of COVID-19 is slowing. Please take appropriate measures to protect yourself and others, while our country's disease experts figure out what else may be done to turn the tide against COVID-19.

In closing, I wish you good health and happiness.

## DR. JOHN HOSMANEK 1926-2021

*KUSD Superintendent 1979-1989*

*With nearly 30 years of service to KUSD, Dr. Hosmanek is remembered as a truly passionate educator who impacted the lives of many in his role as teacher, principal and superintendent. His interest in history and its preservation led him to create an archive of documents and artifacts for KUSD, housed on the second floor of the Educational Support Center.*

There is no cost to groups for the tours, but class donations to the Bradford High School Alumni Scholarship Fund would be gratefully accepted.

*Thank You!*

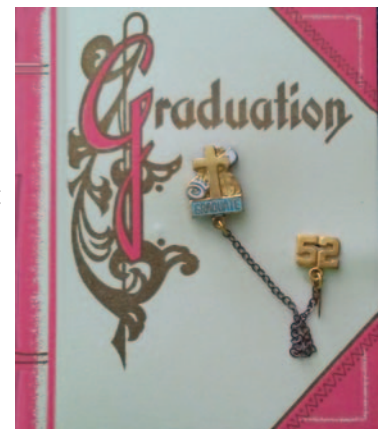

Ella (not her real name) – to capture details of her senior year at Bradford High School, September 8, 1951 to June 6, 1952. Individual report cards for each subject Ella took during her senior year were tucked inside the back cover, along with a '52 pin to commemorate her high school graduation – a gift from St. Thomas church. The scrapbook's *Autograph* pages were filled with embossed "calling cards" bearing the names of classmates, most with handwritten personal messages on the back.

Simply illustrated pages provided space for remembering *Favorite Teachers, Clubs and Organizations, Sports*, etc. On a page entitled *Quiz*, we glimpsed Ella's list of favorite songs and singers. We recognized some of those old song titles: "I'm Yours" and "Anytime," recorded by Eddie Fisher; and "Cry," recorded by Johnnie Ray. On a page entitled *Boys in Our Life*, Ella reminisced about her first boyfriend, who left Kenosha on January 23, 1952, bound for Fort Sheridan and a three-year commitment to serve in the U.S. Army.

On the *Class of 1952* page, Ella noted names of the Class Officers (we recognized a couple KBHSAA member names); the Class Flower; and the Class Colors: "King's Blue and Silver." Having graduated from Bradford in the 70s, we don't recall our senior class selecting class colors, do you? The Class Motto is not attributed to anyone in particular: "There are better men to be found than the best." A Google search for that quote yielded just a single entry, a link to the *Kenosha News Archives* for an article published on June 6, 1952.

The *Commencement* page is annotated as "The Big Day, Friday, June 6, 1952 – 8:00 p.m." Ella wrote that after the ceremonies were over, she "rushed out to find mom and dad, and gee I was I proud of them, proud to know I had such marvelous parents, and proud of myself to be able to show them I had made it. I hope the rest of my life will be happy and successful, and I hope I find the thing I want most. Now my life is my own, and it's up to me to make something of myself." *We couldn't help but think: the more things change, the more they stay the same.*
